Accelerate has since continued to partner closely with Rhino Entertainment to support them on critical, hard-to-fill executive and senior finance and legal hires in Malta.

THE OUTCOME:

CLIENT FEEDBACK

Rhino Entertainment started working with Accelerate when we needed to build a finance and legal team, and they quickly became our trusted recruitment partner. Rhino Entertainment worked with Accelerate throughout the journey of building our team in Malta.

Accelerate took the time to understand in requirements in detail, and to focus on sending us candidates that were a genuine match for our requirements. They gave us feedback and advice on our recruitment process and benefits package, to help give us the best chance of securing the people we wanted to hire.

They were proactive, eager, and clearly cared about our success. They were responsive and quick to follow up. I would be glad to recommend Accelerate to any company hiring finance and legal professionals in Malta, particularly if they are at the beginning of a growth journey.
